那一日，我們領受了聖荷西北谷復興的異象
建堂一年後意外地變為慈濟的房客
做醒、尋覓，終於認定現今這佳美地業
但洽商買賣不成，法拍又因破產拖延
八個月，等候再等候，禱告再禱告
這一天，我們終於看見了神的榮耀

That day, we received the vision of a revival
for the North Valley
We converted a building and moved in
Surprisingly after a year, the building was sold
to a Buddhist foundation

Kept alert and pressed on searching
An ideal home to be was identified
Yet purchase negotiation failed
and auction sale postponed - time after time
Eight months of crying out and waiting on the Lord
This day, we have witnessed the glory of God
